

DAIMLER TRUCK

Commodity-Specific Terms and Conditions of Daimler Truck AG for Packaging

Version 08/2026

1. The contractor represents and warrants that the entire scope of services and delivery provided under this contract, including those of subcontractors and sub-suppliers, complies with the applicable requirements of the Regulation (EU) on Packaging and Packaging Waste (PPWR), including delegated and implementing acts.
2. The contractor undertakes to ensure PPWR compliance throughout the entire term of the contract, to implement suitable compliance and control processes and to keep all required technical documents, evidence and information complete, up-to-date and verifiable. In the event of inspections or requests by supervisory or market surveillance authorities, the contractor shall provide DTAG with the required documentation and proof of conformity without delay, but within 72 hours at the latest.
